The model can produce the main features of spontaneous human EEG and the effects general anaesthetics have on the EEG providing anaesthetists with valuable feedback as to the depth of anaesthesia experienced by patients. Cortical Dynamics Limited was assisted in the FDA submission by MCRA, the leading U.S. Regulatory Advisor for the Medical Device and Biologics industries. The first is the only application which is the subject of the NOPTA notice.

The second application was made under a COVID application process and was accepted but not dealt with pending an outcome on the first application made in January 2020. NOPTA is seeking additional information from Advent in respect of the application.

Under the provisions of the *Offshore Petroleum and Greenhouse Gas Storage Act 2006*, the existing permit will continue until relevant decisions are made.

Advent has the following expenditure commitments (85% share) in respect of the PEP 11 Permit:

Within one year:	\$1.2 million
Within more than one and less than 5 years:	\$20 million

The above conditions indicate a material uncertainty that may affect the ability of Advent to realise the carrying value of its the exploration assets in the ordinary course of business and may affect the ability of the Company to realise the carrying value of its \$4.25 million investment in Advent in the ordinary course of business.

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

*Auditor's responsibility for the review of the financial report*

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the consolidated entity's financial position as at 31 December 2021 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
