CBI announces the extension to March 31, 2025 of the exercise period for BSA A warrants to acquire CBI shares

The purpose of this extension is to give CBI shareholders more time to make their decision, given CBI's current momentum.

CRYPTO BLOCKCHAIN INDUSTRIES ("CBI", Euronext Growth Paris: FR0014007LW0 - ALCBI) announces that Crypto Blockchain Industries, SA ("CBI") announces the extension to March 31, 2025 of the validitý of the BSA A issued on March 13, 2024, validitý initially scheduled for June 30, 2024 and subsequently extended to September 30, 2024.

This extension is intended to give CBI shareholders more time to make their decision, given CBI's current momentum.

CBI announced on September 17 that Brilliantcrypto had entrusted it with the marketing and commercialization of the listing of the $BRIL token on the Bit2me platform.

Warning

The realization of CBI's projects, as well as their operating budgets and financing plans, remain fundamentally subject to major uncertainties, and failure to achieve the underlying assumptions may have a significant and unfavorable impact on the value of CBI's assets and liabilities.

About CBI

CRYPTO BLOCKCHAIN INDUSTRIES ("CBI") is a French company that develops, operates and invests in video games, business applications and selective projects related to blockchain, Non-Fungible Tokens ("NFTs") and crypto-currencies. Founded by Frédéric Chesnais, a well-known video game industry entrepreneur and blockchain pioneer, CBI's ambition is to develop and enhance a portfolio of blockchain activities covering various sectors (video games, finance, logistics, etc.) to take advantage of this technology, either directly or in partnership. CBI has already made several investments and is currently developing a virtual world (metaverse) AlphaVerse, based on blockchain technology.
